

Table Topics Evaluation Form

Armstrong Toastmasters Club 2645

Congratulations on taking the job of Table Topics Evaluator. You will be evaluating speakers who are practicing their impromptu speaking skills. Remember, do not evaluate the topics or focus on their points of view. And don't forget, you are not evaluating the Table Topics Master. Ask for times during the valuation. Use precise and definite words. The General Evaluator will evaluate you.

Due to the short time period you have for evaluating each speaker, concentrate on the following items:

- One thing the speaker did that pleased you.
- One thing that distracted you along with a suggestion for improvement
- End with something that pleased you.

Some things to look for: spoke clearly, no ums, good hand movements, smiled, friendly, enthusiastic, relaxed/controlled, quite, well organized, used humor, clearly presented, confident, mumbling, gestures, eye contact, voice modulation and variation.
